

OUR VISION & MISSION

Barry Bros Specialised Service's Vision is to be acknowledged as a leading international property, underground and industrial services group.

“To constantly improve our services to customers by designing superior systems and processes through the contribution of ideas into the knowledge base of the organisation”.

OUR CUSTOMERS

To identify and satisfy the needs of our customers by providing cost-effective asset management services where safety and quality are achieved through a commitment to excellence.

OUR PEOPLE

To recognize individual and team success by providing both reward and career development within a safe working environment.

OUR COMMUNITIES

To operate in an environmentally responsible manner and support our local communities by providing regional employment, training and apprenticeship opportunities.

OUR SHAREHOLDERS

To grow and develop the Company's business in accordance with the business plan, thereby maximizing our shareholder value.
